NEW RESIDENTIAL CONSTRUCTION OR ADDITION

The following is a list of instructions and required documents to submit for a new residential home or residential addition.

- 1. Completed and signed building permit application.
- 2. Folded and stapled plans drawn to scale. (Three sets are required for new residential construction. Two sets are required for residential additions.) Plans must include:
 - Floor plan
 - Front, sides and rear elevation(s)
 - Foundation plan with walkout details and emergency egress, if applicable
 - Windows and doors sizes and placement
 - Wall section detail
- 3. Boundary survey showing all buildings on the parcel with setback distances to property lines from each building (which may include porch, deck, garage, shed etc.).
- 4. One copy of Wayne County Soil Erosion permit or waiver, if applicable.

ADDITIONALLY, FOR NEW HOMES ONLY:

- 5. Two copies of completed Energy Code compliance sheets. You may use ResCheck or ComCheck.
- 6. One copy of a certified grade survey which includes:
 - Topography lines at one foot intervals
 - Finish floor elevation
 - Adjacent center of street elevation
 - Proposed finished rough grade elevations, proposed drainage swales and/or storm water drainage measures (how you plan to route storm drainage)

DEMOLITION OF HOME

The following is a list of instructions and required documents to submit for a demolition permit.

- 1. Completed and signed building permit application form
- 2. Copy of the following shut-offs:
 - Consumer Energy shut-off
 - DTE Energy shut-off
 - Water shut-off and meter removed
 - This service is provided by the Department of Municipal Services (734) 453-7737, located at 1231 Goldsmith
 - Please note that this service requires a permit fee of \$150.00 that will be assessed with the demolition permit
- 3. Provide a Bond
 - \$2,000 Cashier's Check or Certified Money Order, **cannot use company check**
- 4. Ensure all property fees have been paid such as:
 - Final water bill
 - Property taxes
 - Any other outstanding bills or fees owed to the City.
- 5. If the property has been recently purchased, ensure transfer paperwork has been submitted to the City Assessor
- 6. The parcel must be graded and seeded after demolition if a new construction building permit has not been submitted – Please note this on the application under “Description of Work”
